=====

Dr. Jabiri K. Bakari

**Director General**

## CONDITIONS OF REGISTRAR ACCREDITATION

---

- 1.0. The accreditation is for a period of **ONE (1) year(s)** from the date of issuance of this accreditation certificate.
- 2.0. The accreditation can be renewed annually, upon payment of Annual Registrar Accreditation and Administration Fee, not later than one month before expiration of the digital certificate provided for registry access.
- 3.0. The accredited registrar, when providing registration services, shall collect regulatory fees on behalf of the Authority as provided under the Second Schedule to the Electronic and Postal Communications (Domain Names Management) Regulations, 2020.
- 4.0. The accredited registrar shall receive a commission for every registration service rendered to a holder of a domain name as provided under the Second Schedule to the Electronic and Postal Communications (Domain Names Management) Regulations, 2020.
- 5.0. The accredited registrar shall make a deposit with the Authority, which shall be used to pay fees for registration services rendered according to the Second Schedule of the Electronic and Postal Communications (Domain Names Management) Regulations, 2020. If the unused amount of the deposit is not sufficient to pay for the service to be delivered to the registrar, the service delivery request shall be rejected or services shall not be rendered. The registrar may at any time increase the deposit made.
- 6.0. Accredited registrar shall appraise himself with and endeavour to meet the key performance indicators developed by the Authority from time to time.
- 7.0. Where the accredited registrar does not wish to renew its accreditation certificate after its expiry, he shall notify the Authority in writing, one month prior to its expiration.
- 8.0. The accredited registrar shall abide to Domain Names Dispute Resolution Guidelines and other Guidelines and Directives issued by the Authority from time to time.
- 9.0. The Authority, may at any time, after the date of issue, CANCEL this certificate where the accredited registrar fails to comply with the Laws, Regulations, and Guidelines on Domain Names or these conditions, without refund of any fees paid.
10. The accredited registrar is obligated to ensure that all the information and data provided to the Registrar by Customer are handed over to the Authority, in a complete and accurate manner and make all reasonable effort to verify such information and make the Customer aware of the consequences of submitting false information and data.
11. The Registrar shall, upon request by the Authority, submit within time prescribed in the notice or in any case not later than fourteen (14) days of receiving such a request, documents that can be used to verify the completeness and accuracy of the submitted customer information or data.
12. The accredited registrar shall process personal data of persons kept in the Central Registry in compliance with the Laws governing personal data processing.
